## SOME QUESTIONS ABOUT THE PHASE IV CONSTRUCTION AND RENOVATION PLAN

Several questions about the campaign, new construction and renovation have come up at the past campaign events.

**Where will the new parking be located?**

The new parking will be located behind the current back row of parking. The new parking can be seen on the 3D model in the Narthex. We will add a total of 71 spaces.

**Will there be hot lunches prepared in the new multi-purpose room kitchen?**

We are planning the kitchen so that more of the food preparation for hot lunches, dinners, receptions and other activities can be done on site, but it will not be a full service commercial grade kitchen.

**Do I have to sign a contract when I make a commitment? What happens if I can't fulfill my commitment because of illness or loss of job?**

We encourage each family to sign a Phase IV Treasure Him commitment card. This is not a

binding contract, however, it is an agreement between you and God. It also gives the church the ability to financially plan. If you are unable to fulfill your commitment, please inform one of the pastors so they can pray for you during your challenging time.

**Is athletic equipment included in the \$4.5 million?**

No, the \$4.5 million is just for the Capital Contingency Fund, debt and building project.

## FROM YOUR SENIOR PASTOR

*Shout with joy to the LORD, all the earth!  
Worship the LORD with gladness.  
Come before him, singing with joy.*  
Psalm 100:1-2

Dear Friends,

Indeed we have many reasons to shout with joy and thank the Lord!

With Phase III of our Treasure Him campaign we were able to build five ministry classrooms including the media center/library. Even in these times of economic uncertainty you stayed strong in your giving back to the Lord.

Spiritually God has drawn us Together in Word and Together in Worship and calls us to REACH others beyond our walls that

they may know Christ. The mission and ministry growth outpace the physical space to support it. Therefore, we now prayerfully move ahead with Phase IV of Treasure Him. This is the next part of God's master plan for growing Christ Lutheran Church. In terms of facility we look forward to a large multi-purpose mission center along with other new construction and renovation.

We will accelerate paying off our long-term debt. All this is so we can better fulfill our mission. Our goal is ambitious—\$4.5 million. It will call each of us to greater faith. Please join me in prayer, asking that

God would lead each of us in how we can support this ministry and mission endeavor.

In Christ,

Senior Pastor Jeff Kunze
