Master's Plan

Prayer Point Weekly Talk

This week our prayer focus is on the second phrase of our Master's Plan prayer. Use it as your daily prayer along with the Bible verse this week and then talk about it as you answer the questions in your household or small group. We hope this will help you journey in prayer through this season for our faith family.

*Oh Lord inspire us as stewards of your gifts or our
time talents and treasures*

**“As each has received a gift, use it to serve one other, as good stewards of
God’s varied grace...” 1 Peter 4:10**

1. A steward is one who “makes the most” of all they have been given. How are you making the most of your talents and abilities? Making the most of your time (spending time face-to-face with people)? Your money?
2. What are some the talents you see in yourself and your family or friends? Make a list. Tell others about the talents/abilities you see in them. These are all give by God.

Every week we will attach a challenge with the Prayer Point for your households to do together, or with a small group, or individually .

Weekly Challenge

Everything we have is a gift from our gracious God. Being a faithful steward or manager of these good gifts is what God desires for each of us. Celebrate your talents and abilities. Enjoy your time with others and when alone. Share of your treasures, so that others are blessed.
