Master's Plan

Prayer Point Weekly Talk

This week our prayer focus is on the eighth phrase of our Master's Plan prayer. Use it as your daily prayer along with the Bible verse this week and then talk about it as you answer the questions in your household or small group. We hope this will help you journey in prayer through this season for our faith family.

*Experience full joy in giving and live generously in this present time
to fully share Jesus with future generations*

"In all things I have shown you that by working hard in this way we must help the weak and remember the words of the Lord Jesus, how he himself said, 'It is more blessed to give than to receive.'" Acts 20:35

- Have you ever bought a gift for someone and you were so excited to give it to them because it was perfect? How did it feel to give that gift? Have you ever gotten a gift that someone put a lot of thought into? How did that feel?
- What does the phrase, "It is more blessed to give than to receive," mean to you?

Every week we will attach a challenge with the Prayer Point for your households to do together, or with a small group, or individually.
