Preparing lives for today, tomorrow, and ETERNITY!

Christian Education is a priceless investment in a child's **eternal** future.

Do you have a heart for God's ministry and a love for his children? If so, you can make an ETERNAL difference in the life of a student by becoming a "Sponsor Our Students" (SOS) member. SOS donations are used to offset the tuition of students at The Lutheran High of Kansas City.

Jesus said, "Do not store up for yourselves treasures on earth...but store up for yourselves treasures in heaven...For where your treasure is, there your heart will be also." Matthew 6:19-21

LHS students are our treasure and God has called many of our graduates into full-time church work. The need for church workers is great. Jesus said, The harvest is plentiful, but the laborers are few." Because of SOS members, LHSKC continues to send out laborers who influence lives "today, tomorrow, and eternally."

There are so many reasons we chose Lutheran High School for our children's education. Class size, high curriculum standards, opportunities for athletics…I could go on and on! We love that our children are taught to filter life's experiences through the lens of God's Word. We love that our children are taught by faculty that view education as their calling from God, not just a job. We love that they are challenged personally, emotionally, spiritually, and academically.

I remember the first time my oldest daughter visited Lutheran High School. She came home so excited about the school and the students she had met! We couldn't help but feel that God was leading us to this place.

Since that day we have had three children graduate from LHS and our youngest is now a junior. Each time we began to wonder if we could afford it, God used people like those who support the SOS program to make our decision a little easier. It is only through their generosity - **your** generosity - that we are able to continue our commitment to LHS.

Every day we thank God for Lutheran High School and for the people who became sponsors so that families like ours could receive the financial assistance needed.

There are few things that one acquires in life that have a lasting impact on a person. Receiving a strong education is an acquisition that can give lasting impact for the rest of a life. Receiving a strong Christian education can give a lasting impact for eternity.

Thank you for giving our children the opportunity to receive that education.
