## CHRIST LUTHERAN CHURCH NEXT STEPS

Christ Lutheran Church has adopted a discipleship opportunity known as Disciples Made (Followers/Leaders/Missionaries Made). To foster a discipleship culture among the body at Christ Lutheran, we have restructured our Next Steps process to reinforce Disciples Made.

At Christ Lutheran Church, a “next step” is a commitment to intentional growth in one’s faith by a transformational experience known as Intentional Disciple-Making Environment (IDE). IDE’s are supported by three major components. They are 1) outcome-focused, 2) habit-fueled, and 3) content-flavored. The purpose of an IDE is the multiplication of disciples in keeping with Matthew 28:19: “Go and make disciples of all nations.”

Our vision is to grow an Intentional Disciple-Making Environment at Christ Lutheran Church by encouraging our members to:

- 1) **SEEK** a life surrendered to following Jesus.
- 2) Understand they are disciples called to make disciples. In order to breathe OUT (be mission-minded), we must also breathe IN (IDE).
- 3) Identify, **DEVELOP**, and empower their God-given gifts and abilities in order to be **IMPACTFUL** for His Kingdom purpose.

We **BREATHE IN** the Spirit and develop our character through habits of Scripture, Prayer, Worship, and Community.

We **BREATHE OUT** and influence the Kingdom through Acts 1:8 by fulfilling our calling and reaching the least, the lost, and the lonely.
